El programa Grab-N-Go Super Snacks es una colaboración entre el Distrito Escolar Amphitheater, el Departamento de Educación de Arizona y la Biblioteca Pública del Condado Pima y se llevará a cabo de lunes a viernes hasta el 5 de Agosto.

Se ha tomado la más alta precaución en la preparación y distribución de las botanas. Compañeros de la biblioteca usarán guantes, mascarillas y se asegurará que todos estén manteniendo la distancia social para así limitar el contacto entre personas. Las botanas son de larga duración (con excepción de la fruta) y están listas para llevar.

Tucson Food Share continues to operate out of the Tallboys location at 600 N 4th Ave.

Groceries are available, free, for pick-up twice a week. If delivery is needed, that's available once a week. More times may be added according to demand and volunteer capacity. Food is received and distributed in a sanitary, controlled environment and all volunteers follow strict hygiene protocols to prevent the spread of contagions.

We really want people to know about this resource, use it, and tell others about it. Please share the info with anyone who needs food or works with folks who may need food. Anyone is welcome and no documentation is required. Of course, masks should be worn (and for those whom need them we'll be offering masks along with groceries, as supplies allow).

Even if you don't feel that you're "in need," you are welcome and encouraged to come by and partake of the local organic produce, bulk staples, and other items that are shared. It can be a way to cut down on grocery-store trips and redirect some of your resources to local mutual aid efforts. If you can afford it, just toss a donation in the jar or contribute via the website <http://www.tucsonfoodshare.org>

If you'd like some bilingual flyers, digital or printed, contact Suzanne, 520-289-4088, chelcdavid@gmail.com

Peace, good health, and solidarity,

Tucson Food Share was created by Food Not Bombs Tucson, a loosely organized collective of Tucsonans who come together out of empathy and respect for all of our neighbors. We feel honored to share food freely with anyone who wants it, regardless of their appearance or life circumstances. Most of our food is generously donated by local grocers and farmers who support this mission.
